ROCKFORD DARLING HARBOUR

Australia

Welcome, relax, enjoy our hospitality...

Welcome to Novotel Rockford Darling Harbour

Refreshing, surprising, chic, cosmopolitan, could all be used to describe this contemporary 4½ star hotel.

Set in the history, colour and excitement of Darling Harbour, adjacent to the Sydney Entertainment Centre and within walking distance of the Sydney Exhibition, Convention Centre and the CBD. Major tourist attractions such as the Sydney Aquarium, Star City Casino and Chinatown are only a short stroll away from the hotel.

Novotel Rockford Darling Harbour is suitable for both business and leisure travellers alike and offers 230 guest rooms, health facilities and a modern business centre. Impressive new conference and banquet facilities feature natural light and are flexible enough to suit all occasions.

Adjacent to the hotel is the funky and sophisticated Pumphouse Bar and Restaurant. Built in the 1890s as a hydraulic pumping station and supplying a large amount of Sydney's power, the Pumphouse has been revamped with cutting-edge chic design with highlights of the building's original distinct features. The Pumphouse showcases a broad selection of local, imported and boutique beers, wines and cocktails. The restaurant, located on the first floor offers a mix of modern Australian influences, tapas, wood fire pizzas and bar food selections.
